

2nd DISTRICT COURT, COUNTY OF DENVER, STATE OF COLORADO Court Address: 1437 Bannock Street Denver, Colorado 80202	<b>▲ COURT USE ONLY ▲</b>  Case Number: 2021CV33707  Division: 466
<b>Plaintiffs:</b>  KRISTEN SNYDER and DIONA LOPEZ, individually and on behalf of all others similarly situated,  v.  <b>Defendant:</b>  THE UROLOGY CENTER OF COLORADO, a Colorado corporation,	
<u><b>SETTLEMENT AGREEMENT</b></u>	

This Settlement Agreement, dated as of June 21, 2022, is made and entered into by and among the following Settling Parties (as defined below): (i) Kristen Snyder and Diona Lopez (collectively “Plaintiffs”), individually and on behalf of the Settlement Class (as defined below), by and through their counsel of record Milberg Coleman Bryson Phillips Grossman, PLLC (“Plaintiffs’ Counsel”); and (ii) The Urology Center of Colorado, P.C. (“TUCC”), by and through its counsel of record, Baker & Hostetler LLP. The Settlement Agreement is subject to Court approval and is intended by the Settling Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims (as defined below), upon and subject to the terms and conditions hereof.

**I. THE LITIGATION**

Plaintiffs allege that in September 2021, TUCC learned that a third party may have “gained unauthorized access to [TUCC]’s network” “between September 7, 2021 and September 8, 2021.”

Plaintiffs also allege that this third-party criminal may have acquired the “names, addresses, dates of birth, phone number, email address, Social Security Number . . . , medical record numbers, treating physicians, treating costs, diagnosis, and health insurance information” of TUCC’s “current and former patients[.]” After TUCC learned of the Data Incident (as defined below), notification was mailed to approximately 137,820 individuals notifying them that their personally identifiable information (or, PII, as defined below) may have been impacted by the Data Incident. Subsequently, this lawsuit was filed asserting claims of (1) negligence; (2) breach of implied contract; (3) breach of fiduciary duty; and (4) violation of Colorado’s Data Security Laws, Colo. Rev. Stat. 6-1-713.5; against TUCC relating to the Data Incident (the “Litigation”).

Pursuant to the terms set out below, this Settlement Agreement provides for the resolution of all claims and causes of action asserted, or that could have been asserted, against TUCC relating to the Data Incident, by and on behalf of Plaintiffs and Settlement Class Members (as defined below), and any other such actions by and on behalf of any other individuals originating, or that may originate, in jurisdictions in the United States of America (“United States,” as defined below) against TUCC relating to the Data Incident.

## **II. CLAIMS OF PLAINTIFFS AND BENEFITS OF SETTLING**

Plaintiffs believe that the claims asserted in the Litigation, as set forth in the First Amended Complaint, have merit. Plaintiffs and Class Counsel (as defined below) recognize and acknowledge, however, the expense and length of continued proceedings necessary to prosecute the Litigation against TUCC through motions practice, trial, and potential appeals. They have also considered the uncertain outcome and risk of further litigation, as well as the difficulties and delays inherent in such litigation. Class Counsel are highly experienced in class-action litigation and very

knowledgeable regarding the relevant claims, remedies, and defenses at issue generally in such litigation and in this Litigation. They have determined that the settlement set forth in this Settlement Agreement is fair, reasonable, and adequate, and in the best interests of the Settlement Class.

### **III. DENIAL OF WRONGDOING AND LIABILITY**

TUCC denies each and all of the claims and contentions alleged against it in the Litigation. TUCC denies all charges of wrongdoing or liability as alleged, or which could be alleged, in the Litigation. Nonetheless, TUCC has concluded that further litigation would be protracted and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in this Settlement Agreement. TUCC has considered the uncertainty and risks inherent in any litigation. TUCC has, therefore, determined that it is desirable and beneficial that the Litigation be settled in the manner and upon the terms and conditions set forth in this Settlement Agreement.

### **IV. TERMS OF SETTLEMENT**

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED, by and among Plaintiffs, individually and on behalf of the Settlement Class, Class Counsel, and TUCC that, subject to the approval of the Court, the Litigation and the Released Claims shall be finally and fully compromised, settled, and released, and the Litigation shall be dismissed with prejudice as to the Settling Parties, the Settlement Class, and the Settlement Class Members, except those Settlement Class Members who lawfully opt-out of the Settlement Agreement, upon and subject to the terms and conditions of this Settlement Agreement, as follows:

## **2. Settlement Benefits**

### **2.1 Expense Reimbursement.**

2.1.1 All Settlement Class Members who submit a Valid Claim using the Claim Form are eligible for the following documented ordinary out-of-pocket expenses, not to exceed \$500 per Settlement Class Member, that were incurred as a result of the Data Incident: (i) unreimbursed bank fees; (ii) long distance phone charges; (iii) cell phone charges (only if charged by the minute); (iv) data charges (only if charged based on the amount of data used); (v) postage; or (vi) gasoline for local travel. To receive reimbursement for any of the above-referenced out-of-pocket expenses, Settlement Class Members must submit a Valid Claim, including necessary supporting documentation, to the Claims Administrator.

2.1.2 Settlement Class Members are also eligible to receive reimbursement for up to five (5) hours of lost time spent dealing with the Data Incident (calculated at the rate of \$20 per hour),

but only if at least one (1) full hour was spent. Settlement Class Members may receive up to three (3) hours of lost time if the Settlement Class Member attests that any claimed lost time was spent responding to issues raised by the Data Incident. Settlement Class Members may claim up to an additional two (2) hours of lost time if the claimant submits supporting documentation that the time spent was in connection with the Data. Claims made for lost time can be combined with reimbursement for the above referenced out-of-pocket expenses and are subject to the same \$500.00 cap for all Settlement Class Members.

2.1.3 Settlement Class Members are also eligible to receive reimbursement for documented extraordinary losses, not to exceed \$2,500 per Settlement Class Member for documented monetary loss that: (i) is actual, documented, and unreimbursed; (ii) was more likely than not caused by the Data Incident; (iii) occurred between September 2021 and the Claims Deadline; and (iv) is not already covered by one or more of the above-referenced reimbursed expenses. Settlement Class Members must also provide documentation that he or she made reasonable efforts to avoid, or seek reimbursement for, such extraordinary losses, including but not limited to exhaustion of all available credit monitoring insurance and identity theft insurance.

2.1.4 Settlement Class Members who confirm that they had a California mailing address at the time of the Data Incident will be eligible for an additional \$50.00 in compensation.

2.1.5 Settlement Class Members seeking reimbursement under this ¶ 2.1 must complete and submit a Claim Form to the Claims Administrator, postmarked or submitted online on or before the 90th day after the deadline for the commencement of notice to Settlement Class Members as set forth in ¶ 3.2. The notice to the Settlement Class will specify this deadline and other relevant dates described herein. The Claim Form must be verified by the Settlement Class

Member with a statement that his or her claim is true and correct, to the best of his or her knowledge and belief and is being made under penalty of perjury. Notarization shall not be required. The Settlement Class Member must submit reasonable documentation that the out-of-pocket expenses and charges claimed were both actually incurred and plausibly arose from the Data Incident. Failure to provide supporting documentation of the out-of-pocket expenses referenced above, as requested on the Claim Form shall result in denial of a claim. For the first three (3) hours of lost time claimed by Settlement Class Members, the Settlement Class Member need only provide an attestation that the time claimed was spent responding to issues raised by the Data Incident and a description of how the time was spent. For any lost time claimed in excess of two (2) hours, the Settlement Class Member must submit reasonable supporting documentation of that time spent.

2.2 Limitation on Reimbursable Expenses. Nothing in this Settlement Agreement shall be construed as requiring TUCG to provide, and TUCG shall not be required to provide, for a double payment for the same loss or injury that was reimbursed or compensated by any other source. No payment shall be made for emotional distress, personal/bodily injury, or punitive damages, as all such amounts are not recoverable pursuant to the terms of the Settlement Agreement.

2.3 Identity Theft Protection. Settlement Class Members who previously enrolled in the IDX identity protection services offered by TUCG in the incident response will be automatically provided two (2) years of additional identity theft protection services without the need to make an affirmative claim. Settlement Class Members who did not previously enroll in the identity protection services offered by TUCG during the incident response will be eligible to submit a claim for two (2) years of identity protection services through IDX.

2.4 Confirmatory Discovery. TUCC agrees to implement and keep in place security-related measures through December 31, 2023, as described in Exhibit A, to be filed under seal.

2.5 Dispute Resolution for Claims.

2.5.1 The Claims Administrator, in its sole discretion to be reasonably exercised, will determine whether: (i) the claimant is a Settlement Class Member; (ii) the claimant has provided all information needed to complete the Claim Form, including any documentation that may be necessary to reasonably support the expenses described in ¶ 2.1; and (iii) the information submitted could lead a reasonable person to conclude that more likely than not the claimant has suffered the claimed losses as a result of the Data Incident. The Claims Administrator may, at any time, request from the claimant, in writing, additional information as the Claims Administrator may reasonably require in order to evaluate the claim, *e.g.*, documentation requested on the Claim Form, and required documentation regarding the claimed losses. The Claims Administrator's initial review will be limited to a determination of whether the claim is complete and plausible. For any claims that the Claims Administrator determines to be implausible, the Claims Administrator will submit those claims to the Settling Parties (one Plaintiffs' lawyer shall be designated to fill this role for all Plaintiffs). If the Settling Parties do not agree with the Claimant's claim, after meeting and conferring, then the claim shall be referred to a claims referee for resolution. The Settling Parties will mutually agree on the claims referee should one be required.

2.5.2 Upon receipt of an incomplete or unsigned Claim Form or a Claim Form that is not accompanied by sufficient documentation to determine whether the claim is facially valid, the Claims Administrator shall request additional information ("Claim Supplementation") and give the claimant twenty-one (21) days to cure the defect before rejecting the claim. Requests for Claim

Supplementation shall be made within thirty (30) days of receipt of such Claim Form or thirty (30) days from the Effective Date, whichever comes later. In the event of unusual circumstances interfering with compliance during the twenty-one (21) day period, the claimant may request and, for good cause shown (illness, military service, out of the country, mail failures, lack of cooperation of third parties in possession of required information, etc.), shall be given a reasonable extension of the twenty-one (21) day deadline in which to comply; however, in no event shall the deadline be extended to later than one-hundred-and-eighty (180) days from the Effective Date. If the defect is not timely cured, then the claim will be deemed invalid and there shall be no obligation to pay the claim.

2.5.3 Following receipt of additional information requested by the Claims Administrator, the Claims Administrator shall have ten (10) days to accept, in whole or lesser amount, or reject each claim. If, after review of the claim and all documentation submitted by the claimant, the Claims Administrator determines that such a claim is facially valid, then the claim shall be paid. If the Claim Administrator determines that such a claim is not facially valid because the claimant has not provided all information needed to complete the Claim Form and enable the Claim Administrator to evaluate the claim, then the Claim Administrator may reject the claim without any further action. If the claim is rejected in whole or in part, for other reasons, then the claim shall be referred to the claims referee.2.5.5If any dispute is submitted to the claims referee, the claims referee may approve the Claims Administrator's determination by making a ruling within fifteen (15) days of the claims referee's receipt of the submitted dispute. The claims referee may make any other final determination of the dispute or request further supplementation of a claim within thirty (30) days of the claims referee's receipt of the submitted dispute. The claims referee's

determination shall be based on whether the claims referee is persuaded that the claimed amounts are reasonably supported in fact and were more likely than not caused by the Data Incident. The claims referee shall have the power to approve a claim in full or in part. The claims referee's decision will be final and non-appealable. Any claimant referred to the claims referee shall reasonably cooperate with the claims referee, including by either providing supplemental information as requested or, alternatively, signing an authorization allowing the claims referee to verify the claim through third-party sources, and failure to cooperate shall be grounds for denial of the claim in full. The claims referee shall make a final decision within thirty (30) days of the latter of the following events: its receipt of the submitted dispute and receipt of all supplemental information requested.

2.5 Settlement Expenses. All costs for notice to the Settlement Class as required under ¶¶ 3.1 and 3.2, Costs of Claims Administration under ¶¶ 8.1, 8.2, and 8.3, and the costs of dispute resolution described in ¶ 2.5, shall be paid by TUCC.

2.6 Settlement Class Certification. The Settling Parties agree, for purposes of this settlement only, to the certification of the Settlement Class. If the settlement set forth in this Settlement Agreement is not approved by the Court, or if the Settlement Agreement is terminated or cancelled pursuant to the terms of this Settlement Agreement, this Settlement Agreement, and the certification of the Settlement Class provided for herein, will be vacated and the Litigation shall proceed as though the Settlement Class had never been certified, without prejudice to any Person's or Settling Party's position on the issue of class certification or any other issue. The Settling Parties' agreement to the certification of the Settlement Class is also without prejudice to

any position asserted by the Settling Parties in any other proceeding, case, or action, as to which all of their rights are specifically preserved.

3.3 The Short Notice, Long Notice, and other applicable communications to the Settlement Class may be adjusted by the Claims Administrator, respectively, in consultation and agreement with the Settling Parties, as may be reasonable and not inconsistent with such approval. The notice program shall commence within thirty (30) days after entry of the Preliminary Approval Order and shall be completed within forty-five (45) days after entry of the Preliminary Approval Order.

If TUCC voids the Settlement Agreement pursuant to this paragraph, TUCC shall be obligated to pay all settlement expenses already incurred, excluding any attorneys' fees, costs, and expenses of Class Counsel and Plaintiffs' Counsel and service awards and shall not, at any time, seek recovery of same from any other party to the Litigation or from counsel to any other party to the Litigation.

Such notice shall state: (i) the objector's full name, address, telephone number, and e-mail address (if any); (ii) information identifying the objector as a Settlement Class Member, including proof that the objector is a member of the Settlement Class (e.g., copy of notice, copy of original notice of the Data Incident); (iii) a written statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable; (iv) a statement as to whether the objection applies only to the objector, to a specific subset of the class, or to the entire class; (v) the identity of any and all counsel representing the objector in connection with the objection; (vi) a statement as to whether the objector and/or his or her counsel will appear at the Final Fairness Hearing, and; (vii) the objector's signature and the signature of the objector's duly authorized attorney or other duly authorized representative (along with documentation setting forth such representation). To be timely, written notice of an objection in the appropriate form must be filed with the Clerk of the Court Denver District Court, located at 1437 Bannock Street, Room 256, Denver, Colorado 80202, and contain the case name and docket number, *Snyder et al. v. The Urology Center of Colorado, P.C.*, Case No. 2021CV33707 (the "*Snyder Action*"), no later than sixty (60) days from the date on which notice program commences pursuant to ¶ 3.2, and served concurrently therewith upon Class Counsel, Milberg Coleman Bryson Phillips Grossman, PLLC, 5335 Wisconsin Avenue NW, Suite 440, Washington, D.C. 20015; and counsel for TUCC, Casie D. Collignon, Baker & Hostetler, LLP, 1801 California Street, Suite 4400, Denver, Colorado 80202.

5.2 Any Settlement Class Member who fails to comply with the requirements for objecting in ¶ 5.1 shall waive and forfeit any and all rights he or she may have to appear separately and/or to object to the Settlement Agreement, and the Settlement Class Member shall be bound by all the terms of the Settlement Agreement and by all proceedings, orders, and judgments in the Litigation. The exclusive means for any challenge to the Settlement Agreement shall be through the provisions of ¶ 5.1. Without limiting the foregoing, any challenge to the Settlement Agreement, the final order approving this Settlement Agreement, or the Judgment to be entered upon final approval shall be pursuant to appeal under the Colorado Rules of Appellate Procedure and not through a collateral attack.

## **6. Releases**

6.1 Upon the Effective Date, each Settlement Class Member, including Plaintiffs, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims. Further, upon the Effective Date, and to the fullest extent permitted by law, each Settlement Class Member, including Plaintiffs, shall, either directly, indirectly, representatively, as a member of or on behalf of the general public or in any capacity, be permanently barred and enjoined from commencing, prosecuting, or participating in any recovery in any action in this or any other forum (other than participation in the settlement as provided herein) in which any of the Released Claims is asserted.

6.2 Upon the Effective Date, TUCC shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged, Plaintiffs, each and all of the Settlement Class Members, Class Counsel, and Plaintiffs' Counsel of all claims, including Unknown Claims, based upon or arising out of the institution, prosecution, assertion,

settlement, or resolution of the Litigation or the Released Claims, except for enforcement of the Settlement Agreement. Any other claims or defenses TUCC may have against such Persons including, without limitation, any claims based upon or arising out of any retail, banking, debtor-creditor, contractual, or other business relationship with such Persons that are not based upon or do not arise out of the institution, prosecution, assertion, settlement, or resolution of the Litigation or the Released Claims are specifically preserved and shall not be affected by the preceding sentence.

6.3 Notwithstanding any term herein, neither TUCC nor their Released Parties, shall have or shall be deemed to have released, relinquished or discharged any claim or defense against any Person other than Plaintiffs, each and all of the Settlement Class Members, Class Counsel and Plaintiffs' Counsel.

**7. Plaintiffs' Counsel's Attorneys' Fees, Costs, and Expenses; Service Award to Plaintiffs**

7.1 The Settling Parties did not discuss the payment of attorneys' fees, costs, expenses and/or service award to Plaintiffs, as provided for in ¶¶ 7.2 and 7.3, until after the substantive terms of the settlement had been agreed upon, other than that TUCC would not object to a request for reasonable attorneys' fees, costs, expenses, and a service award to Plaintiffs as may be ordered by the Court. TUCC and Class Counsel then negotiated and agreed to the provision described in ¶ 7.2.

7.2 TUCC has agreed not to object to a request by Class Counsel for attorneys' fees, inclusive of any costs and expenses of the Litigation, subject to Court approval, in an amount not

to exceed \$215,000.00. Class Counsel, in their sole discretion, shall allocate and distribute any amount of attorneys' fees, costs, and expenses awarded by the Court among Plaintiffs' Counsel.

7.3 Subject to Court approval, TUCC has agreed not to object to a request for a service award in the amount of \$2,000 to each named Plaintiff (for a total payment of \$4,000).

7.4 If awarded by the Court, TUCC shall pay the attorneys' fees, costs, expenses, and service awards to Plaintiffs, as set forth above in ¶¶ 7.2, 7.3, and 7.4, within thirty (30) days after the Effective Date. Class Counsel shall thereafter distribute the award of attorneys' fees, costs, and expenses among Plaintiffs' Counsel and service awards to Plaintiffs consistent with ¶¶ 7.2 and 7.3.

7.5 The amount(s) of any award of attorneys' fees, costs, and expenses, and the service award to Plaintiffs, are intended to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the settlement. These payments will not in any way reduce the consideration being made available to the Settlement Class as described herein. No order of the Court, or modification or reversal or appeal of any order of the Court, concerning the amount(s) of any attorneys' fees, costs, expenses, and/or service awards ordered by the Court to Class Counsel or Plaintiffs shall affect whether the Judgment is Final or constitute grounds for cancellation or termination of this Settlement Agreement.

## **8. Administration of Claims**

8.1 The Claims Administrator shall administer and calculate the claims submitted by Settlement Class Members under ¶ 2.1. Class Counsel and TUCC shall be given reports as to both claims and distribution and have the right to review and obtain supporting documentation to the extent necessary to resolve claims administration issues. The Claims Administrator's and claims referee's, as applicable, determination of whether a Settlement Claim is a Valid Claim shall be

binding, subject to the dispute resolution process set forth in ¶ 2.5. All claims agreed to be paid in full by TUCC shall be deemed a Valid Claim.

8.2 Checks for Valid Claims shall be mailed and postmarked within sixty (60) days of the Effective Date, or within thirty (30) days of the date that the claim is approved, whichever is later.

8.3 All Settlement Class Members who fail to timely submit a claim for any benefits hereunder within the time frames set forth herein, or such other period as may be ordered by the Court, or otherwise expressly allowed by law or the Settling Parties' written agreement, shall be forever barred from receiving any payments or benefits pursuant to the settlement set forth herein, but will in all other respects be subject to, and bound by, the provisions of the Settlement Agreement, the releases contained herein and the Judgment.

8.4 No Person shall have any claim against the Claims Administrator, Claims Referee, TUCC, Released Parties, Class Counsel, Plaintiffs, Plaintiffs' Counsel, and/or TUCC's counsel based on distributions of benefits to Settlement Class Members.

8.5 Information submitted by Settlement Class Members in connection with submitted claims under this Settlement Agreement shall be deemed confidential and protected as such by the Claims Administrator, Claims Referee, Class Counsel, and counsel for TUCC.

**9. Conditions of Settlement, Effect of Disapproval, Cancellation, or Termination**

9.1 The Effective Date of the settlement shall be conditioned on the occurrence of all of the following events:

- a) the Court has entered the Order of Preliminary Approval and Publishing of Notice of a Final Fairness Hearing, as required by ¶ 3.1;

- b) TUCC has not exercised its option to terminate the Settlement Agreement pursuant to ¶ 4.3;
- c) the Court has entered the Judgment granting final approval to the settlement as set forth herein; and
- d) the Judgment has become Final, as defined in ¶ 1.11.

9.2 If all conditions specified in ¶ 9.1 hereof are not satisfied, the Settlement Agreement shall be canceled and terminated subject to ¶ 9.4 unless Class Counsel and counsel for TUCC mutually agree in writing to proceed with the Settlement Agreement.

9.3 Within seven (7) days after the Opt-Out Date, the Claims Administrator shall furnish to Class Counsel and to TUCC's counsel a complete list of all timely and valid requests for exclusion (the "Opt-Out List").

9.4 In the event that the Settlement Agreement or the releases set forth in ¶¶ 6.1, 6.2, and 6.3 above are not approved by the Court or the settlement set forth in the Settlement Agreement is terminated in accordance with its terms: (i) the Settling Parties shall be restored to their respective positions in the Litigation and shall jointly request that all scheduled Litigation deadlines be reasonably extended by the Court so as to avoid prejudice to any Settling Party or Settling Party's counsel; and (ii) the terms and provisions of the Settlement Agreement shall have no further force and effect with respect to the Settling Parties and shall not be used in the Litigation or in any other proceeding for any purpose, and any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement shall be treated as vacated, *nunc pro tunc*. Notwithstanding any statement in this Settlement Agreement to the contrary, no order of the Court or modification or reversal on appeal of any order reducing the amount of attorneys' fees, costs,

expenses, and/or service awards shall constitute grounds for cancellation or termination of the Settlement Agreement. Further, notwithstanding any statement in this Settlement Agreement to the contrary, TUCC shall be obligated to pay amounts already billed or incurred for costs of notice to the Settlement Class, and Claims Administration, and shall not, at any time, seek recovery of same from any other party to the Litigation or from counsel to any other party to the Litigation.

#### **10. Miscellaneous Provisions**

10.1 The Settling Parties (i) acknowledge that it is their intent to consummate this Settlement Agreement; and (ii) agree to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Settlement Agreement, and to exercise their best efforts to accomplish the terms and conditions of this Settlement Agreement.

10.2 The Settling Parties intend this settlement to be a final and complete resolution of all disputes between them with respect to the Litigation. The settlement compromises claims that are contested and shall not be deemed an admission by any Settling Party as to the merits of any claim or defense. The Settling Parties each agree that the settlement was negotiated in good faith by the Settling Parties and reflects a settlement that was reached voluntarily after consultation with competent legal counsel. The Settling Parties reserve their right to rebut, in a manner that such party determines to be appropriate, any contention made in any public forum that the Litigation was brought or defended in bad faith or without a reasonable basis. It is agreed that no Party shall have any liability to any other Party as it relates to the Litigation, except as set forth in the Settlement Agreement.

10.3 Neither the Settlement Agreement, nor the settlement contained herein, nor any act performed or document executed pursuant to or in furtherance of the Settlement Agreement or the

settlement (i) is or may be deemed to be or may be used as an admission of, or evidence of, the validity or lack thereof of any Released Claim, or of any wrongdoing or liability of any of the Released Parties; or (ii) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Released Parties in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Any of the Released Parties may file the Settlement Agreement and/or the Judgment in any action that may be brought against them or any of them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar, or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

10.4 The Settlement Agreement may be amended or modified only by a written instrument signed by or on behalf of all Settling Parties or their respective successors-in-interest.

10.5 This Agreement contains the entire understanding between TUCC and Plaintiffs regarding the payment of the *Snyder* Action settlement and supersedes all previous negotiations, agreements, commitments, understandings, and writings between TUCC and Plaintiffs in connection with the payment of the *Snyder* Action settlement. Except as otherwise provided herein, each party shall bear its own costs. This Agreement supersedes all previous agreements made between TUCC and Plaintiffs. Any agreements reached between TUCC, Plaintiffs, and any third party, are expressly excluded from this provision.

10.6 Class Counsel, on behalf of the Settlement Class, are expressly authorized by Plaintiffs to take all appropriate actions required or permitted to be taken by the Settlement Class pursuant to the Settlement Agreement to effectuate its terms, and also are expressly authorized to enter into any modifications or amendments to the Settlement Agreement on behalf of the

Settlement Class which they deem appropriate in order to carry out the spirit of this Settlement Agreement and to ensure fairness to the Settlement Class.

10.7 Each counsel or other Person executing the Settlement Agreement on behalf of any party hereto hereby warrants that such Person has the full authority to do so.

10.8 The Settlement Agreement may be executed in one or more counterparts. All executed counterparts shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court.

10.9 The Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the parties hereto. No assignment of this Settlement Agreement will be valid without the other party's prior, written permission.

10.10 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of the Settlement Agreement, and all parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in the Settlement Agreement.

10.11 As used herein, "he" means "he, she, or it;" "his" means "his, hers, or its," and "him" means "him, her, or it."

10.12 All dollar amounts are in United States dollars (USD).

10.13 Cashing a settlement check is a condition precedent to any Settlement Class Member's right to receive settlement benefits. All settlement checks shall be void ninety (90) days after issuance and shall bear the language: "This check must be cashed within ninety (90) days, after which time it is void." If a check becomes void, the Settlement Class Member shall have until six (6) months after the Effective Date to request re-issuance. If no request for re-issuance is made

within this period, the Settlement Class Member will have failed to meet a condition precedent to recovery of settlement benefits, the Settlement Class Member's right to receive monetary relief shall be extinguished, and TUCCs shall have no obligation to make payments to the Settlement Class Member for expense reimbursement under ¶ 2.1 or any other type of monetary relief. The same provisions shall apply to any re-issued check. For any checks that are issued or re-issued for any reason more than one hundred eighty (180) days from the Effective Date, requests for re-issuance need not be honored after such checks become void.

10.14 All agreements made and orders entered during the course of the Litigation relating to the confidentiality of information shall survive this Settlement Agreement.

IN WITNESS WHEREOF, the parties hereto have caused the Settlement Agreement to be executed by their duly authorized attorneys.
